HBM

THE STURDY POWERHOUSE. THE HBM.

You need a manual sheet metal bender that bends 3-metre sheets? Then the Schechtl HBM is just the right machine for you! The HBM has a bending capacity of 1.00 mm steel, and its design is so robust that it is virtually indestructible. The combination of precision, strength and a wide range of accessories makes the HBM a powerful tool for your workshop.

BENEFITS

- ✓ **Great flexibility** with a working length of 3 m
- ✓ Realises **unusual profiles**
- ✓ **Solid** construction – practically indestructible
- ✓ **1-man operation** with minimum effort
- ✓ **High working convenience** – back-friendly working height
